

src/TransformerVisitor.hh

```
graph BT; A[src/RecursiveTransformerVisitor.cpp] --> B[src/TransformerVisitor.hh]; C[src/TransformerVisitor.cpp] --> B;
```

A diagram showing a header file at the top and two source files below it. The header file is in a grey box, and the source files are in white boxes. Two blue arrows point from the source files to the header file, indicating that both source files include the header file.
